TWO OF SA'S FINEST PUBLIC GOLF COURSES.

Adelaide Shores is home to some of the best public golf facilities in South Australia.

The par 72 Patawalonga course is a championship links-style course that is immaculately maintained and a favourite with locals and visitors. Guests looking to hone their short game or squeeze in a quick round can play the 15-hole Executive course – and get tips from the resident professional. The Adelaide Shores precinct also boasts a driving range with space for 60 golfers, plus a chipping area with bunkers and mini golf.

THE HOME OF SPORT IN SA.

Having hosted a myriad of world-class sporting events, Adelaide Shores naturally has exceptional sporting facilities.

There are two beautifully maintained reserves within the Adelaide Shores precinct – Anderson Reserve and Barratt Reserve – which host a wide range of sports throughout the year, including football, baseball, lacrosse and softball, with 14 tennis courts alongside.

A skate park and BMX facilities also provide hours of entertainment for children of all ages. The Coastal Park running alongside Adelaide Shores is a magnet for cyclists, walkers and

runners to explore. This path takes in some of the most stunning scenery from Glenelg to Henley Beach, and often offers a glimpse of dolphins and seals.

Fishing and boating are popular among Adelaide Shores guests, and facilities are easy to access. Visitors can launch their boat into Gulf St Vincent and cruise with dolphins off Glenelg, join a fishing charter or watch the sun set over the ocean with a drink in hand – all from the Adelaide Shores marina.
